Short Sleeve Tees

The Vapor Basic Performance T-Shirt is a spun poly with the feel of cotton. The double stitched ribbed collar will keep its shape wash after wash. This 5.9 oz. shirt has been styled and designed to allow for maximum movement and comfort. The performance fabric is great for those that work outdoors because it wicks moisture away from the body while other shirts actually trap moisture. Built in anti-microbial and anti-stain features are an added bonus. 100% spun polyester.

The Vapor Apparel Advantage

Used for the entire performance line of garments, Intera's patented technology accelerates moisture evaporation, keeping the wearer cooler and more comfortable. The fabric permanently bonds a water-attracting molecule to the surface of the fibers, creating superior moisture transport. Vapor Apparel's garments are resistant to stains of all types and are odor, bacteria, fungal, and mildew resistant.

Bison™ Glass Floor Tiles

These glass tiles are a dynamic alternative to ordinary floor coverings and are suitable for high-traffic residential and commercial applications such as kitchens, hallways, foyers, business lobbies, executive suites, and boardrooms. The tiles represent a breakthrough in longevity due to placement of the image on the back-side of the tile. This protects the image from wearing away due to foot traffic. The tiles can also be used for wall murals and countertop installations. Individual glass tiles feature a textured finish and are ANSI (American National Standards Institute) and ASTM (American Society for Testing and Materials) compliant.

Photo Balloons

Photo Balloons

Combining the ultimate classic party favor with modern imaging technology, this exciting transfer process allows anyone to create photo quality balloons using any ink jet printer and standard ink jet ink - no heat press required! In addition to making birthdays, anniversaries, reunions, weddings, or retirement celebrations more fun and festive, inkjet photo balloons make unique promotional items for realtors, car dealers, restaurants, and political events.

Using the provided software package, creating personalized round, heart, or star-shaped photo balloons is a snap. Simply import a photo and/or add text to a variety of colorful border templates (or use a blank template to create a unique design), print out the desired template directly onto both sides of a balloon sheet, remove the balloon along the perforations, and inflate. Add red, orange, green, pink, or purple cups/sticks/bases for an extra punch of color.
